## On the shores of the Columbia

The Best Western Plus Hood River Inn wedding event packages keep your planning on the “easy” side. Events include consultation and coordination with our Director of Catering, catered food and beverage menu to your specifications, complete service staffing, plus furnishings, linens, and table settings. Our experienced staff will help walk you through the process so you can enjoy your day!

### Meet our Director of Catering

Lisa Willis is our key contact for coordination of weddings and special events. She's been with the Inn close to 20 years in catering and as Riverside's restaurant manager. Her pleasant personality, strong knowledge of food and beverage, plus efficient style make her a great fit to work with couples. And best of all, she loves it!

*I had my wedding here and it is a gorgeous venue. The staff and wedding coordinator worked with me to create a wedding that really represented my husband and I. We wanted a sophisticated, sit-down dinner with the best local Pinot Noir's and French Champagne. The staff helped us with food pairings and wine selections and sourcing the right local beers to have on tap. We wanted an intimate, high-end feel and we achieved that, however I think the site would do just as well for a more casual event. The location is stunning, the food and wine is amazing and the overall ambiance is romantic and quaint. My guests raved about the wedding, many said it was the best wedding they've ever attended. I think everyone really enjoyed staying on site. My guests hung out at the pool, kayaked and paddle boarded the day of the wedding. I can't recommend this location enough, we've been back 3 times since our wedding just to visit. The Best Western Hood River Inn will always be special to me and my family.*
